

5th & 6th Class:

5th and 6th class are learning all about World War 1. Some wrote diary entries depicting an image of what life was like in the trenches and others wrote letters from a mother, replying to a soldier at war.

We are learning about the water cycle and about water treatment plants. As part of this we have started to think about ways to conserve water; such as taking a shower instead of a bath, turning off the tap when you're finished using it and making sure you have no leaks.

6th class will be making their Confirmation Friday the 2nd May. All pupils attended a preparation talk on Weds 9th April.

Editors Letter for the Easter newsletter

Junior and Senior Infants:

Juniors and seniors are learning about home (Sa bhaile) in Gaelige. In art they built homes out of straw, brick and sticks, as they were reading the story

'The 3 Little Pigs'.

Juniors and senior infants have been learning through play every day as a part of the 'Aistear' programme. The teacher would appreciate donations of unwanted good quality toys such as, knex, lego, bricks, tea sets and playing dolls for the classroom as part of this programme.

1st and 2nd class: are learning about the lifecycle of a frog. At the start of Spring they received frogspawn from Creevroe. The frogspawn have now changed into thriving tadpoles.

2nd Class are making their First Confession on Wednesday the 7th of May and are really looking forward to it!
